Educational Philosophy

Learning through play is the heart of the Morning Star curriculum. Our emphasis is on helping children interact, cooperate and grow together. We help children to learn problem solving skills and explore the world around them while developing caring relationships with their classmates and teachers.

Infant Care

We have two quality, loving infant rooms for our special little ones. The Itty Bitty room is for infants 6 weeks to crawling. The Walkers & Crawlers enjoy their room until 18 months of age.

Nature inspires us to learn

Outdoor Play Areas

Morning Star Preschool and Child Care has age appropriate play areas. Children need connections with the natural world as a regular part of their healthy growth and development. Morning Star has three separate play areas as well as a Nature Area and a Trike Park for all our children to explore!
